PREFACE

The Statistical Abstract of Orissa, 1985 is the 13th issue in its series. The Socio-Economic data covering all fields of developmental activities in the districts as well as the State for a period of five years from 1980-81 to 1984-85 have been presented in this issue. This publication will, no doubt, serve as a valuable source of materials for use by the Administrators, Planners and Research workers for formulation and implementation of various developmental programmes in the State.

The continued co-operation extended by different offices of the State, Central Government and Public Undertakings in making available of the data is gratefully acknowledged. Comments and suggestions for improvement of future issues are always welcome.

I also express my thankfulness to Shri N. K. Mohanty, Deputy Director and the staff of Publication Division for the strain taken by them to bring out this publication.
